VINTAGE CHURCH  
MISSION PARTNERS

We have ongoing relationships with all the mission partners listed below. Many of them we have supported for a number of years through volunteering and giving of resources. We are excited to support them in their Christmas giving efforts this year!

#### **Salvation Army**

The Salvation Army works in 151 countries, preaching the gospel and meeting human needs. In Santa Monica they work with the homeless population, veterans, vulnerable families and more! We are supporting them by providing gifts for kids and teens who are in great need. The teen age group often gets forgotten, so thank you for choosing to bless a teen.

#### **Claris Health**

Claris provides medical, mental health, and support services that help to create a standard where pregnancy and sexual health choices become opportunities for brighter futures. We are partnering with them to provide gifts for the families they support and wellness kits for new moms.

#### **Harvest Home**

Harvest Home works to transform the lives of homeless pregnant women and their children by providing housing support, and programs that equip women to become great mothers. We are partnering with them to provide gifts for moms and kids this Christmas.

#### **Compton Initiative**

The Compton Initiative has a mission to bring hope and restoration to the city of Compton through beautification events and serving those in the community. This year we are partnering with our friends there to supply sports equipment, uniforms and gear to kids in the community.

#### **Keep LA Warm**

We are collecting items to bless our unhoused neighbors in Santa Monica. Unlike our other mission partners, this is an initiative that we run directly out of Vintage Church Santa Monica to assist the community that we call home. We will distribute these warm clothing items right before Christmas.

#### **Prison Fellowship**

Prison Fellowship mobilizes local churches, like ours, to minister to hundreds of thousands of children by delivering a gift, the Gospel message, and a personal message of love on behalf of their mom or dad who is currently incarcerated.
